## Chairman's Report

As the daylight hours get less and the dark nights longer all those indoor jobs and paperwork that were put on hold during the show season can now be attended to. It is nice to get out the photographs/videos that were taken during the last season to see the change/improvement in the pony or the handler/rider.

Another way of recording the progress of a pony is to mark the back of any rosettes with the ponies name and date of the show, this is best done at the time as it will reduce

## NPS Scotland Summer Show

Our annual Summer Show was held on Saturday 11<sup>th</sup> June, once again, within the grounds of Strathallan Castle with BPS Scotland running their show on the Sunday. Running back to back once again gives competitors a fantastic opportunity to make a weekend of it and enjoy two days of superb showing.

We would like to take this opportunity to extend our thanks to all our sponsors who are an

the number of discussions in the family as when and which pony won that particular rosette.

A seasonal note is to thank everybody who helped in any way to make our shows function.

Most of the summer shows had reasonable weather and despite the economic pressures the entries held up well. Sadly some of the later shows had to be cancelled due to the wind and rain. In the west this extreme weather has continued.

## **NPS Scotland In-hand, Ridden & WHP Championships Blair Atholl 2011**

Our Championships were again held at Blair Atholl on August 19th, a week earlier than usual, with competitors attending from all over Scotland having qualified at shows throughout the summer.

Unfortunately, we did encounter a few hiccups this year regarding layout, ring size, walkways and loud speaker system which unfortunately were out with our control. Please be assured we have taken our concerns up with the organisers of the Blair Castle International Horse Trials and Country Fair and we will endeavour to put things right for 2012.

Regrettably, stabling also proved to be a problem this year and for this we can only apologise. The late notification given by Blair to some of our members regarding their stabling bookings was quite unacceptable and this, hopefully, will be rectified for next year.

All in all the weather was good on the day and although entries were slightly down from 2010 figures partly due to having no Olympia class, representatives from each native breed were forward for judging.

Entries in each category were as follows with 2010 in brackets:-
