An evening with

**Kate Godfrey**

Friday 29th January 2010—7.30pm

Murrayshall House Hotel

In July 2009 Kate Godfrey, Doogs and Yeoman set off to ride from their home in Perthshire 'round Scotland, using hill tracks, former drove routes, forestry tracks and old military roads to raise funds for the training arm of World Horse Welfare.

They had to cover up to 20 miles per day, which may not sound like a lot to a car driver! The journey took almost four months to complete, beginning near Blairgowrie.....

Come along and join Kate as she relates the highs and lows of this amazing trip.

Entry, to what will be an inspiring evening is **free of charge** but places are limited.

(Complimentary tea and coffee will be available)
