EQUINE FLU

Equine Influenza vaccinations are a compulsory minimum requirement for all horses/ponies competing in NPS affiliated classes. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations 21 – 92 days apart, a third booster between 150-215 days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old. This Rule may be subject to change following guidance from the FEI/BEF and any changes will be notified via the NPS website. The current FEI ruling is for a six monthly booster as opposed to annual; therefore it is recommended that you check with shows that fall under FEI regulation before entering e.g. Windsor, Hickstead, HOYS etc. It is also strongly advised that all animals are vaccinated against tetanus in accordance with manufacturer's instructions.
