60 Years Celebration

“The National Pony Society” established its first committee in Scotland in 1961 and re-launched in 2001 as “The NPS Scotland”. Its aim and objectives remain the same namely to promote the interests of breeding, improvement, showing and welfare of the Native Breeds and the British Riding Pony in Scotland.

In celebration of these 60 years, “NPS Scotland” is hosting the first “Biomechanics” event in Scotland, led by two acknowledged experts in the field. This event should deliver a memorable and unique day for the participants through practical displays enhanced by modern technology and discussions supported by theory and scientific evidence.

The event is open to everyone, is relevant to all equestrian disciplines and will also incorporate an NPS Judges CPD Day.

NPS Scotland gratefully acknowledges the financial support of both “The National Pony Society” and the “Royal Highland & Agricultural Society of Scotland” in helping to make this unique event possible.

Introducing our presenters

Dr. Russell MacKechnie-Guire

Russell founded “Centaur Biomechanics” in 2006, a company dedicated to bringing the latest biomechanical analysis and interpretation to horses and riders of all levels, with the goal of optimising equine health and performance as well as improving the ridden interaction between horse and rider. He is a leading expert in the field with a worldwide reputation and numerous publications and presentations to his credit. Russell also competes successfully in the field of dressage.

Erik MacKechnie-Guire FBHS

Erik is no stranger to Scotland, regular teaching and holding clinics throughout Scotland. He is a BHS Stage 5 Performance Coach in “Complete Horsemanship”. He has 20 years’ experience working with high performance athletes including as a coach with Team Australia. In May 2018 he was appointed as the BEF’s new Pathway Manager for Para-equestrian dressage. Erik has competed up to advanced level in dressage and is also an RDA Dressage Representative. In 2020 Erik was made a fellow of the British Horse Society.
