

## The National Pony Society – Scotland

---

### Hannah Nicolson

I am delighted to be awarded a bursary from NPS Scotland.

2021 was my first proper year competing with Drummore Windy Cove (aka Rocky) who is a full bred Connemara that I have owned for 2 years. COVID meant our first year was really spent getting to know each other's quirks.

We had many successes in 2021 especially in junior ridden, a highlight of which was winning the junior M&M at Blair International Horse Trials. I gather he would have been placed in the championship if he hadn't taken a dislike to a coke can being opened by a spectator & threw a spooky twisty buck!

Our focus for 2022 in addition to ridden classes will be working Hunter Classes (novice & open) & I am thrilled to use the funding from NPS Scotland for sessions with Kirsty Aird & Richard Telford who I greatly admire.

Thanks again NPS Scotland for the belief & opportunity.
