

The National Pony Society – Scotland

Katie Parker

Here is a note about what I'm planning....

Thank you so much NPS Scotland for awarding one of the Training Bursaries to me. I am really thrilled!

Next season I am aiming to do some more 1st ridden M & M classes with my section A pony Colne Pascoe (Mr P). We also plan to take part in some junior ridden and nursery stakes classes. Mr P loves jumping and so do I!

The NPS Scotland Bursary will allow me to have additional training sessions with Richard Telford, Sharn Linney and Gemma Kennedy. Richard and Sharn help me with my flat work and Gemma with my jumping. They are all great and give me so much confidence and advice so that I can get the best from Mr P. There is so much to learn.

Thank you again.
