I am extremely grateful for this amazing bursary to help Flint and I build an even better ridden partnership together.

My aims this year are to get out and enjoy showing my Connemara, Wannie Flint in M&M Large Breed classes and maybe try some dressage.

I am aiming to use my bursary to get lessons with a local Dressage coach to improve my posture, Flint's forwardness and get the best out of both of us. I'd also like to travel to get a few group lessons with my friends.

I really enjoyed attending the NPS Scotland's 60th Anniversary Equine Performance Event earlier this year on Gail Whetter's Exmoor, Cuthbert. Since attending the event, I'd love to get lessons with Erik Mackechnie.

I'm hoping to get Cuthbert again next year, so I'll be looking to grow our partnership for M&M Small Breed and Veteran classes.
